Welcome

to the world of Waddell display cases.

For more than a century craftsmen have been carefully constructing display cases in the time-honored tradition of Waddell quality. These skilled artisans use only the finest materials to manufacture a wide variety of display cases with the quality of fine furniture. Our craftsmen combine today's technology and designs with yesterday's personal commitment to constructing the finest U.S.A. made cases available.

Thousands of Waddell cases from free-standing and wall-mounted pieces in hardwoods to metal finishes have been selected by schools, businesses, and institutions to promote enduring pride and enthusiasm for their most valued accomplishments. The Waddell brand of display cases has been part of GMi Companies since 1986 and continues to be made in the Waddell tradition of American craftsmanship.

When you select a product from the Waddell collection you can be confident that you are investing in the best combination of style, durability, and value available in a showcase for prized trophies and treasured symbols of success. When you select the strength, durability, beauty, and tradition of Waddell, your accomplishments will be elegantly displayed and your legends will live on for many years to come.

Quantum Series

Quantum Series combines modern styling along with the functionality and dependability expected from the world's best known brand of display cases. Quantum Series feature furniture grade laminate bases and tops in your choice of cherry or brushed silver. Curved tempered glass doors provide an elegant look to each case along with halogen puck-type lighting and floating shelves. The black textured backing on each case is designed to reduce glare and draw attention to your cherished achievements displayed inside.

Heritage Series

The traditional good looks and solid construction of the Heritage Series make our oak or hardwood frame cases the most popular in the Waddell line. With their classic styling, Heritage Series cases will stand the test of time as well as they stand up to school environments. These durable cases offer standard sliding tempered glass doors, built-in locks and levelers, and are available with an optional cornice/lighting fixture.

Challenger Series

If you need a case that will stand up to the rigors of a busy hallway, a crowded entrance or an industrial break room, you need the heavy-duty construction of the Challenger Series. Challenger Series cases are constructed of anodized aluminum extrusion, steel brackets, steel standards and 1/4" plate glass shelves. Sliding doors are made of tempered glass with ground-in finger pulls and locks are built into the door frame. Available in lengths from 48" up to 144" with or without laminate covered base, these rugged cases will outlast even the most abusive environments.

1000 Series 18"H Wood-grained Vinyl Base w/aluminum framing. Steel shelving standards and brackets. Six 12" deep half-length shelves per door opening. 1/4" tempered glass sliding door w/ground in finger pulls and lock. Levelers standard. Standard case depth is 16".

Specialty Cases

Our Specialty Cases are ideal for protecting collections, flags and special mementos. The 88-1530 comes with three plate grooved shelves and 88-3030 comes with seven plate grooved shelves which can be removed to fit your exhibit needs. For those who want the option of non-plate grooved shelves, simply flip the shelf over for a uniform shelf surface. Standard plaque back allows for mounting items with hook tape. The 88 series comes in autumn oak.
